

Terms of Delivery:

1. Description of the goods supplied:

The colour of painted parts is to be agreed. The coating thickness is approx. 40–60 µm. Special colours are available on request at an extra charge. Other materials with regard to wall thickness and wear resistance are available on request.

2. Estimated delivery time:

The delivery time will be determined after signing of the contract.

3. Delivery:

EXW Lastrup (Incoterms 2020)

4. Packaging:

Included in the price.

5. Prices:

Our prices are fixed prices in euros.

6. Warranty:

The warranty period for mechanical and electrical parts is 12 months from commissioning, but no longer than 18 months from delivery, whichever occurs first.

7. Liability for defects:

We are liable only for defects attributable to intent or gross negligence. We are not liable for defects caused by improper or excessive use, by the use of unsuitable operating materials or by improper repairs or reconditioning, nor for defects in wear parts.

8. Liability:

The total liability of the parties is limited to 5 % of the order value. Wagner is not liable for production downtime, non-release of products, loss of profit or any other financial or economic loss or consequential damage, irrespective of the legal grounds.

9. Place of jurisdiction:

Cloppenburg.

10. Contractual terms:

In accordance with a separate contract.

11. Terms of payment:

In accordance with a separate contract.

12. Price adjustment:

Should material costs change during or after the validity period of the offer, we reserve the right to adjust the offer price in line with the steel price index.
